CONE & NEALTOWN ROADWAY IMPROVEMENTS  
CONTRACT NO. 2010-035

CITY OF GREENSBORO, N. C.

Sealed proposals will be received by the City of Greensboro, N. C., in the Melvin Municipal Office Building (MMOB), Greensboro, North Carolina, 3<sup>rd</sup> Floor Engineering Conference Room until **2:00 PM, Thursday, July 30, 2015** for the Contract listed above and indicated in the Bidding Documents; at which time bids will be open and read publically.

This Contract consists of, but is not limited to, the construction of bridges, culverts, sidewalks and roadway placement. Some specific scope of work items include: clearing and grubbing, borrow and undercut excavation, placement of various size RC Pipe Culverts, roadway pavement markings, removal and replacement of fire hydrants. Other work items include furnishing and installing 30" and 6" ductile iron piping, valve markers, manhole rings and covers. See plans and specifications for the contract special provisions and proposal form for detail scope of work descriptions contained herein.

Sealed proposals and MWBE Good Faith Efforts (GFE) must be submitted on the blank forms provided and as specified in the bound copies of the contract documents. The bid and the (GFE) shall be enclosed in two separate sealed envelopes addressed to Mr. Donald Saintsing, Engineering Division, 300 West Washington Street, Greensboro, North Carolina. The outside of each envelope shall be plainly marked with the Project Name; Contract Number; the name, address and license number of the Bidder; the envelope with the bid enclosed shall have the notation "BID ENCLOSED", and the other envelope containing the MWBE participation and good faith efforts documentation shall have the notation "MWBE GOOD FAITH EFFORTS ENCLOSED".

**Sub-Contracting Opportunities:**

The City of Greensboro anticipates sub-contracting opportunities in the following areas of work: Clearing and Grubbing, Earthwork, Erosion Control, Drainage Infrastructure (RC-pipe and Structures), Concrete (Curbs, Sidewalks, and Driveways), Asphalt base, intermediate, and surface placement, Hazardous material remediation, and hauling. The pre-bid meeting is scheduled to solicit the maximum number of sub-contractors possible for participation and to explain and answer questions regarding the City's MWBE program.

No proposal shall be considered or accepted by the City unless at the time of its filing the same shall be accompanied by a five percent bid security as indicated in the Instructions to Bidders. Consideration will be given only to proposals submitted by contractors licensed in the state of North Carolina under the Contractor's Licensing Act of 1925 or as amended.

The City reserves the right to waive any informality or to reject any or all proposals or to award such contract as in its judgment is deemed to be in the best interest of the Project.

A pre-bid meeting will be held at **4:00 – 6:00 PM Tuesday, July 7, 2015** in the Melvin Municipal Office Building (MMOB), Plaza Level Conference Room; Greensboro, North Carolina; City of Greensboro personnel will discuss MWBE requirements and the ENGINEER will be available to discuss the Contract and answer pertinent questions. Attendance is strongly encouraged.

**Bid Document Availability:**

Bidding Documents will be made available in electronic form from Duncan Parnell via their web page <http://www.dpibidroom.com>. Final **bid documents will be available through Duncan Parnell office by July 10, 2015**. Draft plans are viewable on the system from June 18<sup>th</sup> through July 9<sup>th</sup> they are intended for review only and not for purchase. Preliminary (DRAFT) specifications will be available on the City of Greensboro ftp website (<ftp://ftp.ci.greensboro.nc.us/Engineering>). This document will be unavailable after the date of the pre-bid conference.

A Final set of bid documents will be viewable and discussed at the pre-bid conference. Registration with Duncan Parnell via their web page is required to view and procure bid documents. Final Contract documents will be available after the Pre-bid Conference. Addenda's will be distributed through Duncan Parnell to only those registered through their website. A NON-REFUNDABLE FEE with registration is required to download and /or to acquire a hard copy of the bid documents for use in preparing a bid. Neither OWNER nor ENGINEER will be responsible for copies of the Bidding Documents obtained from sources other than from Duncan Parnell.
